The ViewMax Tablet Bag features a simple closure that is secure but not too difficult to open. Zippers glide smoothly with one hand without having to steady the bag with the other hand. Front flap has a zippered pocket, great for holding coins, room key or cell phone. Organized compartments The bag with interior and exterior pockets and zippered compartments keeps things in their places.

It provides divider pockets for pens, wallet, cell phone and tablets up to 10.1" Inch. This not only makes it easy to find what is needed but prevents the heavy weight of the bag from constantly pulling on the shoulder at different angles. A good strap The performance of a shoulder bag hinges primarily on the quality of the strap. The strap of the bag is adjustable, allowing it to be lengthened to a cross body bag.
